Dear Sir/Madam

**TENDER TO REINSTATE BUS SERVICE 37 ON A TRIAL BASIS**

Maesteg Town Council is looking at the provision of reinstating bus service no. 37.

Initially Maesteg Town Council would like to reinstate bus route 37 at a reduced service of 25 – 50 % of the original route for a trial.

We invite your company to look at various options to include:

1. What 25% and 50% of the service looks like and choosing peak times.
2. Running the service for a full-day but only for e.g. on two or three days of the week initially.

Please see below a print screen of route 37 for bus locations additionally they would also like to include Caerau Park on the route:
